**Sadowski, Mark** <msadowski@slocity.org>

to me, Anne

Good afternoon Jeff,

I wanted to check in and see when you might be able to have your civil engineer come in and sign the plans and drainage report as this is the only remaining item needed to issue your permit. We tried reaching out to them directly several times I have not received a call back. Please let us know if there's anything else we can c to assist in getting this permit issued for you.

Respectfully,

Mark Sadowski

Building & Safety Supervisor
